

GLIMMERDARK BOARD: ASSEMBLY

Print sheets 1–4 at **100% / actual size** (not 'fit to page'). They print the same on US Letter and A4. The finished board is 15 × 20 inches (38 × 51 cm).

Trim each sheet along its crop marks. Lay them out as below, butt the edges together, line up the half-targets that meet at every seam, and tape along the back. Card stock or a sheet of foam board behind it makes it lie flat.
