GLIMMERDARK · PLAYER AID

HEARTS

HEARTHLIGHT

YOUR ABILITY

Your ♥ cards match every vein. The first ♥ you play to Mine each turn is a free action: it doesn't count toward your two.

EXAMPLE

The hand in this example.
Outlined cards get played.

Mira stands in C3 (a ♣ vein, 4-point glimmer) holding 9♥ 4♥ 6♠ 2♦ K♣. She plays 9♥ to Mine: hearts match any vein, a 9 is high, so she takes 2 × 4-point glimmer. It's her first heart this turn, so it's free. She still has two actions: 4♥ to Mine 1 more (not free, since only the first heart is), then 6♠ to Move away before the Warden arrives.

Tip. Hunt the deep chambers other delvers can't mine, and use your non-hearts to travel.

PACK carried glimmer · holds 5 · half value at the end

VAULT banked · safe · keep face up

Your turn. Up to 2 actions, one card each: **Move** 1 (any card), **Mine** (card matches the vein; 2–6 and A take 1, 7–10 and faces take 2; A is wild), or a face card's **Event** (J Shortcut 3, Q Pilfer, K Rouse). Refill to 5.

The Warden. After each round flip a card: A–10 = 1 step, J/Q/K = 2, Joker = Tremor. It walks toward the winning delver underground and crushes anyone it walks in on (drop half, retreat).

SPADES

TUNNELER

YOUR ABILITY

A ♠ played to Move takes you up to 3 chambers. It can end at the Gate, but can't pass through it. You travel light: your pack holds 4 glimmer.

EXAMPLE

The hand in this example.
Outlined cards get played.

Gritch stands at the Gate holding 3 ♠ 8 ♦ 5 ♣ 10 ♥ J ♦. He plays 3 ♠ and burrows Gate → B1 → B2 → B3 in a single action, straight into a ♠ chamber full of 4-point glimmer. Next turn a high ♠ would mine 2 there. With his small pack he'll be heading home sooner, but one spade gets him back up to the Gate.

Tip. Your spades are both your travel and your mining in ♠ veins. Plan round trips that end at the Gate.

PACK carried glimmer · holds 4 · half value at the end

VAULT banked · safe · keep face up

Your turn. Up to 2 actions, one card each: **Move** 1 (any card), **Mine** (card matches the vein; 2–6 and A take 1, 7–10 and faces take 2; A is wild), or a face card's **Event** (J Shortcut 3, Q Pilfer, K Rouse). Refill to 5.

The Warden. After each round flip a card: A–10 = 1 step, J/Q/K = 2, Joker = Tremor. It walks toward the winning delver underground and crushes anyone it walks in on (drop half, retreat).

CLUBS

SHAKEDOWN

YOUR ABILITY

You may play a ♣ as a Pilfer. A high ♣ (7–10, or a face card) takes 2 glimmer instead of 1.

EXAMPLE

The hand in this example.
Outlined cards get played.

Hulda is in B2. Pip & Pell, in the next chamber B1, carry 4 + 2 + 1. Hulda plays 9♣: it's a high club, so she takes the two most valuable, the 4 and the 2. Then she plays 3♣ on Pip & Pell again and takes the 1.

Tip. Loaded delvers heading home have to walk past you. Stand beside the tunnels up to the Gate.

PACK carried glimmer · holds 5 · half value at the end

VAULT banked · safe · keep face up

Your turn. Up to 2 actions, one card each: **Move** 1 (any card), **Mine** (card matches the vein; 2–6 and A take 1, 7–10 and faces take 2; A is wild), or a face card's **Event** (J Shortcut 3, Q Pilfer, K Rouse). Refill to 5.

The Warden. After each round flip a card: A–10 = 1 step, J/Q/K = 2, Joker = Tremor. It walks toward the winning delver underground and crushes anyone it walks in on (drop half, retreat).

DIAMONDS

PULLEY

YOUR ABILITY

As an action, play a ♦ to send up to 2 glimmer of your choice from your pack straight to your vault, from anywhere on the board.

EXAMPLE

The hand in this example.
Outlined cards get played.

Sable is down in D3 with a full pack: 4 + 4 + 4 + 2 + 2. The Warden is one chamber away. She plays 5♦ and hoists two 4s to her vault, then plays 7♦ and hoists the third 4 and a 2. If the Warden crushes her now, all it can shake loose is one 2-point token.

Tip. Keep a diamond in hand when you go deep. It's insurance and a way to free up pack space.

PAIRS AND RUNS

IN STEP

YOUR ABILITY

Twice per turn, the card right after one you paid for is free if it has the same rank, or the same suit and the next rank up or down (Aces sit above Kings).

EXAMPLE

The hand in this example.
Outlined cards get played.

Pip & Pell stand in B1 holding 6♥ 6♣ 9♦ 10♦ 2♠. They play 6♥ to Move to A1 (paid), then 6♣ to Move on to A2, a ♦ vein: same rank, so it's free. There, 9♦ Mines two 2-point glimmer (paid) and 10♦ Mines the last one: same suit, next rank, so it's free. That's four cards played for two actions.

Tip. Build pairs and suited neighbors in your hand instead of spending them one at a time.

PACK carried glimmer · holds 5 · half value at the end

VAULT banked · safe · keep face up

Your turn. Up to 2 actions, one card each: **Move** 1 (any card), **Mine** (card matches the vein; 2–6 and A take 1, 7–10 and faces take 2; A is wild), or a face card's **Event** (J Shortcut 3, Q Pilfer, K Rouse). Refill to 5.

The Warden. After each round flip a card: A–10 = 1 step, J/Q/K = 2, Joker = Tremor. It walks toward the winning delver underground and crushes anyone it walks in on (drop half, retreat).

FACE CARDS

OLD HANDS

YOUR ABILITY

The first face card (J, Q or K) you play each turn is a free action. Your Jack's Shortcut moves up to 4 chambers.

EXAMPLE

The hand in this example.
Outlined cards get played.

Quill stands at the Gate holding J♣ K♠ 4♥ 7♦ 2♣; the Warden has wandered up to A2. He plays J♣ as a Shortcut: B1, B2, B3, the Heart, four chambers in one move, and it's free as his first face card. Any card mines in the Heart, so 7♦ takes the Crown. He still has an action, and he keeps K♠ to Rouse the Warden away later.

Tip. Faces are your engine. Save one for the turn you need a third action.

PACK carried glimmer · holds 5 · half value at the end

VAULT banked · safe · keep face up

Your turn. Up to 2 actions, one card each: **Move** 1 (any card), **Mine** (card matches the vein; 2–6 and A take 1, 7–10 and faces take 2; A is wild), or a face card's **Event** (J Shortcut 4, Q Pilfer, K Rouse). Refill to 5.

The Warden. After each round flip a card: A–10 = 1 step, J/Q/K = 2, Joker = Tremor. It walks toward the winning delver underground and crushes anyone it walks in on (drop half, retreat).
